## Educate ~ Empower ~ Encourage Women & Girls to DREAM!

It comes easy and naturally for **T. EnStacia White** to subtly convince everyday women and girls to follow their DREAMS. You haven't seen, met or laid eyes on the intensity of high energy, passion and drive that T. EnStacia White exudes. She is a master at what she does. Known as #TheDREAMMaster, she has 19 years of entrepreneurial experience motivating and jolting women and girls to move out of their comfort zone and jump into their destiny.

T. EnStacia has developed many powerful workshops, seminars and webinars for schools, youth organizations, mental health programs and churches for women and girls to begin laying the foundation to creating the life they have been dreaming through our Womanhood, Sisterhood & Livelihood Experience.

Author of 2 self help manuals and a powerful life changing professional & personal development guide for women. She also created the innovative DREAMS Workshops in a Box Kits for young ladies and DREAMS Successful Living Life Planning System for progressive women. Through a non profit organization she founded in 2003 she has catapulted over 4000 women and girls to shifting their life by giving them tools to develop a DREAM Life plan.
